Decision: 2014 - 760 A-B

This is in reference to the **U2-U Square Putter Grip** (shafted and unshafted) grips, received on October 16, 2014, which you submitted for an official ruling. This is a square, putter grip.

Please be advised that the grip, as submitted, has been evaluated and **it has been determined that it conforms to the Rules of Golf.**

This ruling applies only to the sample submitted and any grips manufactured identical to it. This ruling does not apply if there is any change in the design, manufacture, material or construction of this particular grip. If a grip of similar design, with identical markings is acquired from any source and found to fail USGA standards, then the conformance status of the grip will be reviewed.

In advertisements of the U2-U Square Putter Grip, you are authorized to make the statement: "Conforms with USGA Rules." Use of the USGA seal or logo, and/or statements such as "USGA Approved" or "USGA Tested" is prohibited.

We are retaining the samples as a record of this decision.

The USGA reserves the right to change the Rules and interpretations regulating equipment at any time.

Sincerely,

A handwritten signature in black ink, appearing to read "John Spitzer". The signature is written in a cursive, flowing style.
